

COMPUTER CENTER

YOU MAY:

- Use the computer/laptop in a gentle manner. Raise your hand if you have a problem and WAIT for an adult to help you.
- Use the Internet to visit <http://mrsbucksmathclass.weebly.com/this-weeks-lessons.html> and use any of the games or websites listed on that page.
- Use the Internet to visit www.sumdog.com, www.compasslearningodyssey.com, or www.scootpad.com if you **remember your username/password from last year** (new usernames/passwords are coming soon if you don't remember yours!)
- Use headphones/earbuds to hear sounds (remember to clean off the earbuds with a Clorox wipe after you're finished).

You may NOT:

- Try to download or update games/other software or adjust settings.
- Play games that are not math related.
- Move icons or apps around.
- Listen to sound without headphones/earbuds.
- Talk to other students around you.
- Pick up or move the computer/laptop.
