

# Folder Games Center

## You MAY:

- Choose a folder game that interests you and read the directions to find out how to play.
- Work with a partner or small group if the directions tell you to.
- Play QUIETLY... whisper if talking is needed.
- Turn in your answer sheet (with your name on it) to Tray 1 if you finish early. Choose a new folder game if there is enough time.
- Raise your hand if you have a question or problem.
- Be a good sport!

## You may NOT:

- Talk loudly.
- Play around/goof-off with your partner or your group.
- Start a game, then stop before finishing because you don't like it.
- Cheat, lie, make up your own rules, quit, or play unfairly.
- Whine and complain if you lose.
