

iPad Center

You MAY:

- Use the iPad in a gentle manner. Raise your hand if you have a problem and WAIT for an adult to help you.
- Work on your math skills using any of the MATH APPS.
- Use the Internet to visit <http://mrsbucksmathclass.weebly.com/this-weeks-lessons.html> and use any of the games or websites listed on that page.
- Use headphones/earbuds to hear sounds and adjust the volume if needed (remember to clean off the earbuds with a Clorox wipe after you're finished).

You may NOT:

- Try to download or update apps.
- Play games that are not math related.
- Pick up, walk with, pass, hit, or otherwise mistreat the iPad.
- Move icons or apps around.
- Adjust settings.
- Listen to sound without headphones/earbuds.
