

## **"The Place Value Song" (tune "The Addams Family")**

1. They're really very cool  
They don't follow the rule.  
You call them by their 1<sup>st</sup> name  
The UNITS family!  
Do do do do "Ones!" (snap with fingers twice while saying "Ones!")  
Do do do do "Tens!" (snap with fingers twice while saying "Tens!")  
Do do do do (3x) "Hundreds!" (snap with fingers twice while saying "Hundreds!")
2. The next period is proper,  
First you say the topper.  
Then you say the last name  
The THOUSANDS family!  
Do do do do "Thousands!" (snap, snap continues just like first stanza)  
Do do do do "Ten Thousands!"  
Do do do do (3x) "Hundred Thousands!"
3. They're really very wealthy  
Fabulous and healthy  
You'd better say their last name  
The MILLIONS family!  
Do do do do "Millions!"  
Do do do do "Ten Millions!"  
Do do do do (3x) "Hundred Millions!"
4. We're gonna name the places,  
With smiles on our faces.  
So tie your shoe laces,  
Running through the families.

Do do do do "Ones!"  
Do do do do "Tens!"  
Do do do do (3x) "Hundreds!"  
Do do do do "Thousands!"  
Do do do do "Ten Thousands!"  
Do do do do (3x) "Hundred Thousands!"  
Do do do do "Millions!"  
Do do do do "Ten Millions!"  
Do do do do (3x) "Hundred Millions!"
